NEW BUILDINGS,

CHARLES GOODMAN,

ARE YOU TIRED

Reading false fabrications and designing sophistry that is constantly dished out to the public with the intention of ensnaring the unsophisticated and credulous buyer? If so, the most emphatic rebuke to such methods is to boycott them. Patronize merchants only that tell the truth in print. We are

NOT SUCKERS ENOUGH

To believe the public is so gullible that they invariably fail to notice the lies that are prated in newspaper advertisements, nor do we believe that this cuteness and rascality in business will succeed.

IF IT IS NOT TRUE THAT WE SELL THE SAME MAKE AND QUALITY OF CLOTHING FOR LESS MONEY THAN OTHERS, AND GIVE A MUCH LARGER ASSORTMENT FROM WHICH TO MAKE A SELECTION,

Do you suppose we would be continually drumming it into your ears and daily casting it before your eyes?

QUALITIES AND PRICES SPEAK LOUDER THAN WORDS,

And is evidence that convinces the most skeptical bargain hunters at THE BELL.

The FAMILY UMBRELLA

Even More Necessary than a Family Umbrella

Is Santa Claus Soap. Why? Because it's made to fill every want, and does what it's made for. Pure as the purest, and yet cheap as the cheapest, and always the same. More profitable to the family than any other soap. For Kitchen, Laundry, Bath—in short, for everything, use Santa Claus Soap.
